## PROFILE

I am very experienced in customer service while working as a Guest Registration Door Staff and volunteering being an international ambassador for my institution. I have knowledge, skills and experience in the IT field, from studying for a Bachelor of Computing degree at the University of Guelph. I am skilled in critical thinking, strategic planning, problem solving, working in groups and Leadership. Looking for more opportunities to expand my skills in problem-solving, team management, and communication.

## EXPERIENCE HISTORY

Jan 2024 — Apr 2025

### Guest Registration Door Staff, University of Guelph

Guelph

As a Guest Registration Door Staff at the University of Guelph, I was responsible for ensuring the safety and security of residents and guests on the weekends. I greet and register guests who are not from the residence while checking if they are residents, I also monitor access to the building and enforce security measures to maintain a safe environment and assist residents and guests with any concerns or issues, providing excellent customer service.

### uniBuddy Ambassador, Univeristy of Guelph

Guelph

As a uni-Buddy Ambassador at the University of Guelph, I represented the university and provided prospective students with information and support. I engaged with students through the uni-Buddy platform, answer their questions, and share my personal experiences to help them make informed decisions about their education.

Sep 2022 — May 2023

### Volunteer Math Tutor

Lincoln

In high school I volunteered to tutor lower-grade students in mathematics, helping them improve their understanding of the subject. Provided personal examples to students in topics that were exceptionally hard for them.
